Meeting opened 7.40pm

Visitors: Jan Fleming joined the Westgate Wanderers at the end of the meeting. Welcome Jan!

The minutes of the May meeting were moved by Ray and seconded by Hans

There was no business arising from the minutes of the previous meeting.

There were no new bikes or gear.

The Treasurer's Report was moved by Des and seconded by Mark.

Ride Coordinator's Report: Warren thanked all those who have come forward with ideas for new rides.

Quarter Master's Report: Greg is working with Paul Dawson to upgrade the gear shop on the website. Greg has also made up a folder which will be on the table at the kick and meetings to help promote sales.

Secretary's Report:

Incoming mail: There has been an offer of a discount for members from City West Yamaha. John Humm will visit the store to discuss this further.

Outgoing mail: A letter to the RSL informing them of the scheduled meetings for the next twelve month period as well as an update of the details of all new committee members to Natcom.

It has been noted that many of our member details on file are incomplete or out-dated. If members' details have changed since they joined could they please use the forms which will be available at the meetings and tire kicks to bring their details up to date.

Our President suggested that for our next meeting we try to dress as something to do with motorbikes. This is just meant to be something simple and fun to add a little interest to the meeting so use your imagination and see what you can come up with! He also promised there would be prizes!!!

John Humm suggested that perhaps we might like to consider a social interaction with a local motorcycle club. This was met with a generally negative reaction from most members present.

Monster Raffle: John Tout has managed to procure a magnificent motorbike inspired "cuckoo" clock (yes, that's going *straight* to the pool room!) for a Monster raffle. Second and third prizes are yet to be decided and tickets will be available soon.

John Humm suggested we could start a "swear jar" type of arrangement to encourage people to wear their name badges to all club events – if you get caught without your name badge a coin donation would be made. I know we all have name badges and some of us can become a little

complacent when it comes to wearing them – yours truly included! Name badges are not only a great help for new members to get to know us but also help with the not-so-new members – you know what's his name...he's got grey hair and rides the black Kowasaki.....

The meeting was closed at 8.30pm.
