

Sightseeing to Seymour

Leaving the tyre kick at 9:30 we will travel to Romsey via Wildwood road for a short break before continuing onto Seymour via Lancefield and Pyalong.

The return leg will see us retracing our steps for about 10 km before branching off to Broadford. From Broadford we will travel through Wandong before making our way to Bulla and Diggers Rest.

The round trip is approximately 310 km 😊😄😄😊

A great chance to ride with friends and feel the wind in the hair... 😄😄
